(See reverse side for additional information)

The following additional information is required for a new license application:

1. Evidence of right, title or interest to the property;
2. A site plan drawn to a scale no smaller than 1"=100', to include:
 - o Property boundary lines;
 - o Identification of soils on the property;
 - o The location of any sand and gravel aquifer or aquifer recharge areas;
 - o The location of any residence or school within 500 feet of the property lines;
 - o The location of any body of water on the property or within 400 feet of the property lines;
 - o The boundaries of the 100-year floodplain;
 - o The location of all roads within 1,000 feet of the site;
 - o The location within the property boundary lines where vehicles are drained, dismantled or stored;
 - o The location and dimensions of all land area to be utilized for the activity;
 - o The location and dimensions of all site improvements, such as buildings, operating pads, processing equipment, and storage areas for oils, PCB, battery acid or other liquids collected;
 - o The location and description of screening; and
 - o The location of all public and private water supplies within 750 feet of the site;
3. A description of methods used to prevent unauthorized access to the site;
4. A description of routine maintenance, litter removal and cleaning procedures for the entire site;
5. A description of procedures for handling and disposing of any wash-down waters and leachates;
6. A schedule for removal of stored wastes and copies of contracts with authorized waste haulers;
7. A fire prevention plan for the facility approved by the Fire Department;
8. A ground and surface water quality monitoring plan if required by the Town Council; and
9. A plan for containment of fluids, containment and disposal of batteries and storage or disposal of tires.

A public hearing conducted by the Town Council is required. The cost of advertising a public hearing is the responsibility of the applicant and must be paid to the town prior to issuance of the license. The applicant or authorized agent must be present at the public hearing.

New applications for automobile graveyards, automobile recycling businesses or junkyards are also subject to a separate application review by the Planning Board. The Planning Board must approve any new application before it may be submitted to the Town Council. Contact the Code Enforcement Officer for additional information.

Return this completed application and fee to:
