

## **Hancock County's "Crime Tip Line" (207) 667-1401**

All your local, county and state police agencies in Hancock County have joined forces to create a new telephone line to give residents the ability to provide information about drugs and other types of criminal activity. Anonymous calls can be made to 667-1401 and the information will be directed to the agency best able to benefit from the call.

Callers are encouraged to leave the identity of the suspected offenders, the identities of their associates, their address, and their vehicle description. In the case of illicit drug activity, callers are asked to relay what types of drugs are involved and the location of the offenders.

The tip line is voluntary and anonymous. No attempt will be made to determine the identity of the caller but the caller may leave their name and telephone number if they wish.

Questions, concerns or comments regarding this program can be made by contacting Sheriff Bill Clark at the Hancock County Sheriff's Office, 50 State Street, Suite 10, Ellsworth, Maine 04605 (667-7575).
