

Bucksport Comprehensive Plan 2015

COMMITTEE MEETING AGENDA

Monday June 8, 2015 Meeting at 6:00 PM
Jewett School Conference Room (66 Bridge St.)

1. Adoption of Minutes: The minutes are distributed for review and comment and are posted on the www.bucksportmaine.gov website. Additional post-meeting thoughts related to that agenda are added to the web document. This will be the collection point for any more information on the topic(s) at hand. The draft chapters will continue to be the central record of the Committee's progress showing the consensus of the group. Audio recordings of meetings are also made available online.

2. HCPC Introduction/Update by Tom Martin:

- Tom inserted text boxes summarizing the mill closure's effects on each topic as discussed into the first four chapter drafts. They are posted on the Web.
- Should a cutoff date for data be established and noted in the plan?
- Should data be updated in upcoming chapters, including Public Facilities/Services?

3. Public Facilities and Services Review: This is a continuation of discussion cut short last fall when CP meetings were suspended following the Verso announcement. That is why some changes are already indicated in the draft. This chapter will require more than one meeting. Some department heads will be invited to come and add to the discussion.
